1 Introduction

Blah Blah Blah

- Hey
- Oh!
- Let's
- Go!

2 Mathematics Equation

Proving that we can make clean looking formulas and equations:

$$\begin{aligned} A &= \frac{\pi r^2}{2} \\ &= \frac{1}{2}\pi r^2 \end{aligned} \tag{1}$$

3 Conclusion

Wow, that was fast

- We

- are
- done
- here!
